Dear Friends and Supporters,

Thank you supporting Serve2Cure. Because of your generous contribution, Serve2Cure has donated over \$90,000 to local cancer charities over the past 7 years. Truly, we have come together as a team to help defeat cancer and the devastating effects it has on its victims.

We hope that you will sponsor at the \$2500, \$1000, \$500, or \$250 level our 7th Annual Serve2Cure Charity Tennis Tournament taking place at the Mt. Lebanon Tennis Center, September 15-17, 2017.

As a sponsor, you may receive player entries to the tournament, plus your logo on a yard sign, banner, t-shirts, sponsor board, S2C website, and player bags.

It is our goal at S2C to continue to help the local community fight cancer in a direct way. To that end, we are proud to announce as Serve2Cure's 2017 beneficiary **Matt's Maker Space**, an initiative of the Children's Hospital of Pittsburgh Foundation. Since 2006, Matt's has furnished science, technology, art, engineering and math (STEAM) education to help suffering kids feel more comfortable while in Children's Hospital. It also sponsors Matt's playrooms and teen rooms at Children's Hospital and Our Clubhouse so that children with cancer and their siblings have a place to connect with peers. Matt's Maker programs will soon commence in Mt. Lebanon elementary schools and the public library. Matt's Maker Space keeps the memory of Matt Conover alive, a Mt. Lebanon boy who lost his battle with cancer at age 12.

Our time to rally to ace cancer is NOW! In the game of tennis as in the game of life, how we serve determines our return. We believe the return will be amazing. Please help us Serve2Cure!

We look forward to working with you again.

Sincerely,

Serve2Cure 2017 Sponsorship Chair
Margaret Izzo
