Dear Friends & Supporters,

This year Serve2Cure will celebrate it's 7TH ANNIVERSARY! It's quite an accomplishment from the simple dream of creating a local charity tennis tournament to fight cancer. Because of your generous donations, Serve2Cure has donated over \$90,000 to local cancer charities. Truly, we have come together as a team to defeat cancer and the devastating effects it has on its victims.

The 7th annual **Serve2Cure; A Rally to Ace Cancer** charity tennis tournament will take place on September 15 - 17, 2017 at the Mt. Lebanon Tennis Center. Funds raised from this event will be donated to Matt's Maker Space.

Serve2Cure would be thrilled to have a monetary donation, or a basket or silent auction item that you may like to donate. Please feel free to send us the form below.

Our time to Rally To Ace Cancer is NOW! In the game of tennis as in the game of life, how we serve determines our return. We believe the return will be amazing. Please help us Serve2Cure!

Sincerely,

Jenn Daley & Margaret Izzo
